As a seasoned Product Owner with more than 7 years of experience in the fintech industry with technical background, I am well-equipped to lead cross-functional teams, drive product development, and deliver exceptional user experiences. I possess a deep understanding of the software development lifecycle, and I am capable of leading teams to deliver high-quality products on time and under budget. I am looking for a new role that will enable me to apply my skills and experience to contribute to the success of the organization, while providing opportunities for personal and professional growth.
